The National Medical Association presents

DR. NELSON ADAMS

WALK A MILE WITH A CHILD

BLACK DOCTORS SUPPORTING A HEALTHY COMMUNITY

National Medical Association

Join our community walk to support kids and families

July 25th, 2026

San Juan Convention Center - Exhibit Hall C

Bring your friends and family for a meaningful mile together. All ages welcome.

7:00 am - Registration
8:00 am - 9:00 am Walk
9:00 am - 12 pm STEM Health Fair

Come walk with the doctors of the National Medical Association, as we stroll down the streets of San Juan, PR promoting and encouraging physical activity and healthy lifestyles. Afterwards, join us at the free STEM & Health Screening Fair located in the Convention Center filled with interactive STEM & VR activities, fitness activities, face painting, nutrition education, free giveaways, public health challenge apps and much more.. We have partnered with members of our physician community, Student National Medical and the Auxiliary to the National Medical Association to bring you this free event!

Sponsored by: vitalitycares FOUNDATION; Campaign for Tobacco-Free Kids; NDC National Dairy Council; MTKYN Make Them Know Your Name
